***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/15/2008 has been entered.

**REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Based on applicant's amendment to the claims which specify that the rawhide chew product is dried, and the well-known instability of the chlorite ion (see PTO-form 892) and, as pointed out by applicant wherein at Example 13 of Witt et al. the impregnated rawhide is to be used immediately after spraying the composition or stored to remain moist, it is agreed with that the reference to Witt in fact, teaches away from the combination of references as applied and the references applied in the last Office action, either singly or in combination do not teach or fairly suggest the now claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to C. Sayala whose telephone number is (571) 272-1405. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
